[Doc. No. 26385, 56 FR 24278, May 29, 1991, as amended by Amdt. 158-2, 65 FR 34542, May 30, 2000]

(2) 5 years after the charge effective date if an approved project is not implemented.

(b) If, in the Administrator's judgment, the public agency has not made sufficient progress toward implementation of an approved project within the times specified in paragraph (a) of this section, the Administrator begins ter-

(c) The authority to impose a PFC following approval shall automatically expire without further action by the Administrator on the following dates:

§ 158.35 Extension of time to submit application to use PFC revenue.

(a) A public agency may request an extension of time to submit an application to use PFC revenue after approval of an application to impose PFC's. At least 30 days prior to submitting such request, the public agency shall publish notice of its intention to request an extension in a local newspaper of general circulation and shall request comments. The notice shall include progress on the project, a revised schedule for obtaining project approval and reasons for the delay in submitting the application.

(b) The request shall be submitted at least 120 days prior to the charge expiration date and, unless otherwise authorized by the Administrator, shall be accompanied by the following:

(5) A summary of any further consultation with air carriers and foreign air carriers operating at the airport.

(6) A summary of comments received in response to the local notice.

(3) Further collection will not result in excessive accumulation of PFC revenue.

(d) The Administrator, upon determining that the agency has shown good cause for the delay and that other elements of the request are satisfactory, grants the request for extension to the public agency. The Administrator advises the public agency in writing not more than 90 days after receipt of the request. The duration of the extension shall be as specified in §158.33 of this part.

(i) If a PFC level of more than \$3 is requested, the Administrator notifies the public agency that the conditions of §158.17 have been met before the higher level can be instituted.

(ii) If a PFC amendment that is subject to the competition plan requirement is submitted, the Administrator notifies the public agency that the plan satisfies the requirements of §158.19.

(iii) The public agency shall notify the carriers of the effective date of any change to the approved PFC resulting from the amendment, subject to the limitation that the effective date of any new charge shall be no earlier than the first day of a month which is at least 60 days from the time the public agency notifies the carriers.
